

# Norton Library News

## January

We wrapped up 2018, and all of the End of Year business, now we are busy planning for 2019! The kids have enjoyed Legos, Chess, Mother Goose, Art Club and Storytime! The adults have enjoyed the Sign Language classes, Adult Coloring and Book Club this January!

## February

February will be busy with a whole library “weeding” and inventory. Then we will start the large project that we have in store for the foyer! Hint: Thanks everyone for the cardboard! The kids programs will remain the same in February. The adults will finish up the Sign Language Classes, and enjoy the Adult Coloring and Book Club.

## March

We are hoping to have author/illustrator Derek Anderson speaking on March 28<sup>th</sup>. He is the author of Ten Pigs: an Epic Bath Adventure! (Time to be announced). We will also be attending several workshops, and planning for the Summer Reading Program! The scheduled programs will remain the same in March.

## April

National Library Week is in April. We will be giving several tours and speeches, plus we will host a guest speaker from the Kansas Humanities, she will speak about the Vietnam War. (Date and time TBA). The scheduled program dates and times will remain the same in April.

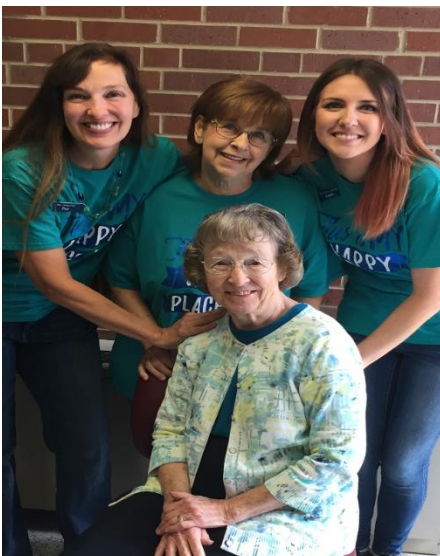

We had so much fun hiding Liba, our Elf on The Shelf, in December! We decided, after we put Liba away for the season to get a Gumby! Every day, we hide him in the Library, and after school the kids have come in looking for him! It is as much fun for the staff as it is the kids!! We have ordered a “Pokey” also!!

A heartfelt THANK YOU to everyone who helped the Library in 2018!

Whether you give monetarily, or volunteer, donate odds and ends, or support us with your attendance to our many programs... we want you to know...

WE APPRECIATE YOU!!! ☺

*We can't do  
what we do,  
without the support of our  
wonderful community!*
