WHAT?

It's  At the

So far, this Autumn we have been very busy here at the Library! 😊

We have created many spooky crafts in Storytime, painted pumpkins for Art Club, and had
Zombies in our midst!

The **Zombie Escape Room** was a small fund raiser for us, and a huge hit with the public! **5 days, 14 teams, 76** participants. The winning team was Apocalyptica commanded by Lisa Herman. Her team mates were Trent Brinkman, Vicky Gallentine, D.J. Porter, Ed Sorter, and Joel Pasilas. The winning time to complete the room was **27:55:83! Nicely done!** 😊

There was a ton of work, and passion involved in creating the Zombie Escape Room, and we definitely plan to have another one! Plans for another Escape Room are in process. We are hoping to have a room ready this summer for our Teen Night participants, and hopefully another adult room in October, close to Halloween. We are shooting for a Harry Potter theme at this time. 😊

(Photos of the teams, and their times are on display in our entryway at the Library, and some of the props created are on display in our Teen Area if anyone is interested in looking at them)
